## ***.....Theresa Nottage.....***

### **Who are you and what do you do for the charity?**

Hi, I'm Theresa and I am 1 of the Trustees. I have been with the SAM Fund since it started in 1999. I carry the title of Procurement which means I am always in the thick of things doing what it takes to help the team.

### **What do you do 9 – 5?**

I work for an Architectural Metalwork Company in their accounts office. I only work 2 days a week which is really nice.

### **What do you do in your spare time?**

Like most people these days I don't get a lot of free time, I know that sounds ridiculous when I only work 2 days but we are always up to something. I have 3 dogs which need more attention than children. I have been married to Steve for 36 years and we have 2 sons Terry (31) and Dean (29). We all live close to one another and I enjoy spending my free time with them as a family.

I have Rhesus Negative blood so if anyone wants a drop let me know.
