

Our Sponsors

As you are all hopefully aware we pride ourselves on the fact that the whole charity is managed voluntarily. However, there are expenses that have to be found every year to make our events successful. By creating regular sponsorship, we are now able to move forward as a charity and maintain the quality that is always present at our events. This is an excellent step forward for the charity.

In no particular order we would like to express a huge thanks to

- Jason Pike & Matt from The Furniture Workshop
- Mary & Chris Smythe from The Ship in Gidea Park
- Shireen Pope & Sarah Waite from Hygieneco
- Les Lee & Kim Redwood Lee from Acelux Ltd

Thanks from the bottom of our hearts—you are indeed all stars!!!

Remember together we can make a difference!
