

# ***Faces of The S.A.M Fund .....Marian Mildenberger.....***

## **Who are you and what do you do for the charity?**

I'm Marian and secretary of The SAM Fund.

## **What do you do 9 – 5?**

I am a local government officer (for my sins!)

## **What do you do in your spare time?**

I don't really have any. I spend my weekends helping my daughter Lauren with her businesses so you will often find me on a Saturday afternoon escorting various Princesses and characters to and from children's parties.

## **Worst and best jobs?**

The worst was being a Saturday girl in a hair dressers. 12 hour day for 15 shillings! (Showing my age there!) Best job is being a Mummy.

## **What are you passionate about?**

Honesty. There's nothing worse than being lied to, so honesty is definitely the best policy! Also, treating people as you would like to be treated.

## **Interesting fact...**

My eyebrow raises involuntary when I am cross!

## **Favourite meal...**

Anything Italian!

## **Favourite drink...**

Gin and Tonic, Gin and Tonic, Gin and Tonic! And if there isn't any Gin left, I'll have a wine!

## **Favourite music / band...**

Motown, favourite artist Stevie Wonder any day of the week!

## **Where would I be if not here?**

Anywhere with sunshine!
